non-food item kits needed

Education and protection

20,144

displaced school-age children

The appeal calls for emergency education, psychosocial support, and protection for children, women, persons with disabilities and older people

An **Urgent** Appeal to Save Civilians

Seven actions requested from UN agencies, international organizations and partners

1

Emergency response and funding

To close needs gaps identified by field assessments

2

Safe, sustained humanitarian corridors

For food, medicine and fuel, and to protect civilians

3

Food, water and shelter

Food aid, safe water and shelter for the most vulnerable families

4

Support hospitals and health facilities

Medicines, fuel, ambulances, malnutrition and epidemic response

5

Protect the most vulnerable

Children, women, persons with disabilities and older people; psychosocial support and emergency education

6

Sanitation and waste removal

And protect flood channels and water sources from contamination

7

Coordinated action and joint field assessments

With local authorities, relevant offices and local partners, to speed up the response and avoid duplication
